

## Programme

### MPhil Stream

This programme is the first postgraduate programme in Hong Kong designed specifically for the training of professional industrial-organizational psychologists. Students will receive comprehensive training in utilizing psychological knowledge for improving organizational effectiveness and employee satisfaction. Students are required to complete a minimum of 31 units of courses (excluding thesis research courses).

### PhD Stream

The objective of this programme is to train students to make independent contributions to the advancement of psychological knowledge. Students are required to complete a minimum of 42 units of courses (excluding thesis research courses), pass a candidacy examination, and submit a research thesis and pass an oral examination for graduation.

Please visit the Division's homepage for more information.

## Admission Requirements

In addition to the general requirements of the Graduate School<sup>1</sup>, applicants should

### MPhil Stream

- possess a Bachelor's degree in Psychology or equivalent; and
- obtain an overall GPA of 3.0 or above.

### PhD Stream

- possess a Bachelor's degree in Psychology or equivalent;
- obtain an overall GPA of 3.5 or above or honours not lower than Second Class Upper; and
- have completed an individually supervised research thesis.

## Additional Application Information

In addition to the general application materials, all applicants should submit:

### MPhil Stream

- a statement of career aspiration and research interest (750 words in English).

### PhD Stream
