Our Ref. No.: 4/1/0 –

20th February 2019

1/F, Room 101, University Administration Building
The Chinese University of Hong Kong, Shatin, N.T.

Dear Professor Rocky Tuan,

The Consulate General of the United Arab Emirates in the Hong Kong Special Administrative Region presents its compliments to the Chinese University of Hong Kong, and is glad to inform that the Khalifa University (KU) in the United Arab Emirates will be opening applications for scholarships for its Masters’ and PhD programmes to students of Hong Kong.

Khalifa University is a research-intensive university with a vision to integrate research and education to produce world leaders and critical thinkers in applied science and engineering. Created in 2017 as a merger of several pre-existing universities, namely the Masdar Institute of Science and Technology, Khalifa University of Science, Technology and Research, and the Petroleum Institute, the Khalifa University is ranked 49th in the world according to the Young University Rankings 2018.

Keen to invest in human and intellectual capital and to advance innovative research to address the challenges of a shared international community, KU now invites students from different countries and regions, including Hong Kong, to join their world-recognized and globally-accredited Graduate Programmes. The scholarships on offer not only covers tuition fees but also provide a monthly stipend throughout the period of study to the recipients, who will be given a unique opportunity to broaden their horizons and to engage in cutting-edge and innovative research projects.

In total, 16 Masters’ and PhD programmes are on offer in the fields of engineering and petroleum geology, covering various specializations. To know more about graduate school admissions and the selection criteria, please visit https://www.ku.ac.ae/admissions/graduate-admissions/.

Details of recommended candidates to be considered for the scholarships can be sent to pgadmission@ku.ac.ae before the deadline of 30 April 2019.

Prospective students are urged not to miss this exciting opportunity to further their studies in the United Arab Emirates.

Best regards,

Nabila Alshamsi
Consul General
